As we try to buy what's in season, the variety changes through the year so take a look at our specials board or ask your server about which variety we're using today. All can be made with or without the booze & are available to take away in a compostable cup, just ask!

## FRESH JUICE &amp; SODAS

We believe that fresh is most definitely best. Where we can we will juice straight from the fruit, but we also make our own cordials in house to create unique & quite frankly bloody delicious sodas. If you want us to make you up a special blend, then just ask & we'd be happy to help.

## REALLY GOOD COFFEE

While we can't grow our own coffee beans, we like to use Scottish roasters to keep things in the community. We also like to use the best quality milk we can so as standard we will serve proper barista milk but have a selection of dairy free alternatives.

<b>Really Good Filter Coffee</b> Pot for one / Pot for two	£3.00 / £5.80
<b>Espresso / Double Espresso</b>	£2.50 / £3.00
<b>Americano / Flat White / Latte / Cappuccino</b>	£3.00
<b>Slane Irish Coffee</b>	£8.00

*Used espresso grounds are packed full of nitrogen so make an excellent garden fertiliser. If you'd like some, please ask & we'll happily give you a bag!*
