As we try to buy what's in season, the variety changes through the year so take a look at our specials board or ask your server for which we're using today. TWISTED CLASSICS

They say 'don't mess with the classics'! We're inclined to disagree & we sure you will too when you try our signature twists!

PORNSTAR MARTINI

£8.00

Cîroc Vanilla | Luca's Passionfruit Sorbet | Pineapple | Citrus

Passionfruit & vanilla, what could be tastier? We'll tell you what, using our friends at Luca's of Musselburgh's delicious passionfruit sorbet, that's what! We love to support local business, especially one as iconic as Luca's.

ECO ESPRESSO MARTINI

£8.00

Coffee Ketel One | Fresh Espresso | Kahlúa | Espresso Syrup

Coffee has flavour molecules that are soluble in both hot & cold water & oil. Normally after an espresso is pulled the used grounds are thrown away before they've served their maximum use, so we take them & infuse our vodka & syrup to give maximum yield of flavour. They're also packed full of nitrogen so make an excellent plant fertiliser so ask your server for a bag to take home.

HYPER-COCONUT OLD FASHIONED

£8.50

Coconut Johnnie Walker Black | Coconut Water Syrup | Takamaka Coco | Old Fashioned Bitters

We use a technique known as 'washing' to infuse extra virgin coconut oil into tasty scotch without any of the oily texture. We take this, add some Seychellean coconut rum & add homemade coconut syrup... COCONUT!

HONEYBEE MARGARITA

£8.00

Ocho Blanco Tequila | St-Germain Elderflower Liqueur | Scottish Bee Co. Heather Honey | Lime

'Mon the bees! We've teamed up with our friends at the Scottish Bee Co. to work on this tasty little number! We take their delicious honey and make a manageable syrup to create a floral & fresh Margarita. 10p from each serve sold will go to the wonderful people at Re-pollinate, who do incredible work turning urban spaces into wild flower gardens - www.repollinate.org.uk.

LOCAL HEROES
